DEDICATION

"A Teacher Affects Eternity; He Can Never Tell Where His Influence Stops."

In our busy world, it is seldom that one finds a man who is willing to give of himself for something in which he believes. We, the class of 1967, have had the honor to have such an advisor. His advice came freely, when needed. His enthusiasm was unlimited. Most of all, we will always remember his faith. When things were rough, when discouraging voices tried to undermine our efforts, we knew that we had an advisor who would stand by us, would fight for us, who believed in us.

The class of 1967 respectfully dedicates its yearbook to Mr. John Ploski--teacher, advisor, and friend.

"O beautiful! For spacious skies, for amber waves of grain, for purple mountains' majesties above thy fruited plain: America, America--God shed His grace on thee, and crown thy good with brotherhood, from sea to shining sea!"

K. L. B.

The richness of America! Who is not thrilled when our anthem is played or when our flag is raised? America holds a heritage of which her citizens may be proud. Yet patriotism involves not only pride in the past; it includes faith in the future. At no other time in the history of the world has there been a country which rivals the United States in richness and strength. Our generation inherits a nation of plenty. Dedicated to the valiant soldiers of World War II, Granby Memorial High School has taught its students to appreciate their past and look to their future. With education, guidance, and the grace of God, may we rise to the challenge of governing America.

ADMINISTRATION

BOARD OF EDUCATION

SEATED: Mrs. Fred G. Smith, Bruce Thomas, Kenneth C. Carson (Chairman), Robert Barber, Mrs. Edward Wells. STANDING: Anthony Pacilio, Fredrick Wilhelm. Not Pictured: Mr. Martin, Mrs. Collier.

"The worth of a state, in the long run, is the worth of the individuals composing it."

J. S. Mill

If there is one enduring concept that has been responsible for the preservation of what we know as the American way of life it is the recognition of the sovereignty of the individual.

This factor in Americana is so deeply ingrained that it has withstood the assult of many formidable foes over the years.

Cherished by the old, defended by the young, its preservation has called forth amazing efforts in its defense by men and women from all walks of life.

Accept it as a privilege freely given, a precious heritage from those whose stations you now go forth to tend.

SUPERINTENDENT

Dr. Edwin D. Stevens

A substantial portion of your future will be determined by events beyond your control. Another large portion will determined by the actions and demands of persons involved in your daily routine of work and living. These facts give some of us a sense of frustration.

The key to happiness and success is that small portion of the future that you yourself may determine. Your efforts in the development of YOU are crucial.

I wish the Class of 1967 best wishes, a lot of good luck, and a spirit for self-determination that will make the possibility for good luck all the more possible.

PRINCIPAL

During their stay at Granby Memorial High School the members of the class of 1967 have had many opportunities presented to them which have enabled each individual to pursue his special interests. It is my most sincere hope that each of you has made an attempt to avail yourself of these opportunities. Now that you are about to commence a new phase in the process of becoming a part of America--that of asserting your personal goals in order to add to the greatness of our country--I hope that your high school experiences will prove worthwhile.

Teachers, parents and friends have spent many hours teaching, counseling and attempting to give to you the necessary background for choosing whatever goal that you intend to achieve. In the years that are ahead, we will all be depending upon you to aid in making better the great American society.

Whitey in hot pursuit!!

"Who said Craig doesn't have a head on those shoulders?"

"Follow me boys."

The 1966 soccer team ended their season with a 4-5-3 record. A young team lead by Co-Captains Joel Bigelow and John Hall, it possessed much talent and strength. Outstanding play by the defense and offense held them in many a game.

The Granby Cheerleaders, the Granby Band, and the student body's support, along with the come-back attitudes so greatly initiated by their coaches, helped to make the season a rewarding one.

Which way did the ball go?

I could have danced all night!

Field Hockey—66

FRONT ROW: R. McLaughlin; mgr, E. Hildreth, C. Lockwood, M. Barnes, J. Perry, B. Blodgett, C. McCord, L. Yasney, B. Beman; mgr, Mrs. Frey, SECOND ROW: L. Holcomb, R. Wilson, L. Palmer, S. Tobey, S. Wolf, K. Harris, C. Weber, J. Cook, THIRD ROW: P. Cook, M. Tanner, C. Gilbert; capt., N. Baker, B. Harris, S. Tuffin, K. McLaughlin, K. Nixon. ABSENT: D. Lockwood.

Skill, confidence, and a dash of luck, set this year's Varsity hockey team on it's way to one of the best seasons in our school's history. The key to the team's success was Mrs. Frey's coaching, new techniques, good sportsmanship, and friends; the girls are truly a credit to our school.

Junior Varsity in Action

"Trip her, Lynn."

Loud in spirit, though silent in scoring, this year's J. V.'s played hard and well. Their hard work and good sportsmanship were to be commended along with their support for the Varsity.

The experience gained will be profitable in coming years for Granby High.

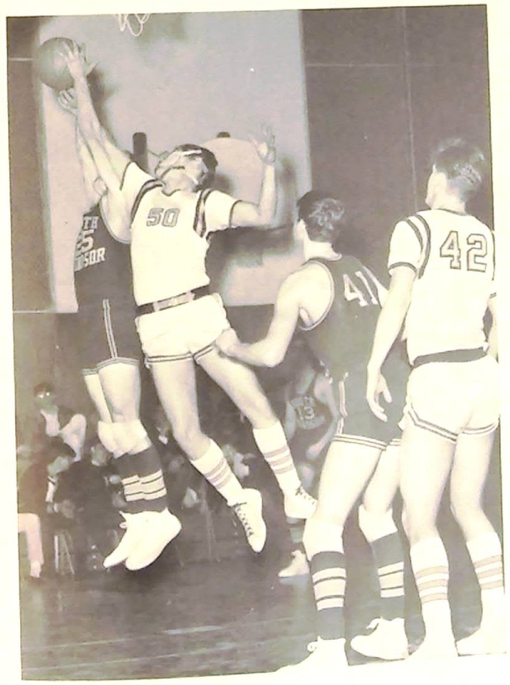
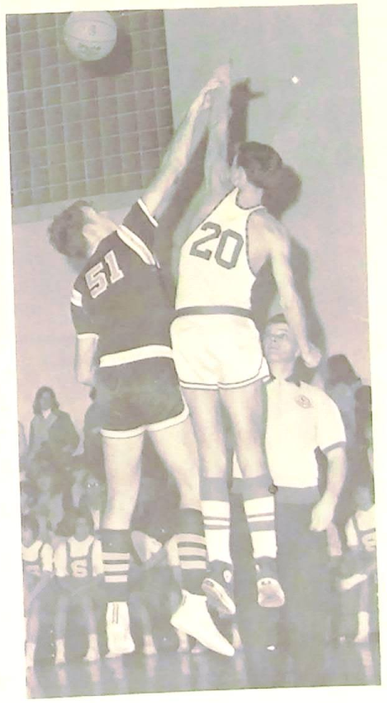
"Nice try, John!"

1966-67 was a successful and rewarding season for Granby, even though our record did not show it: four wins and sixteen losses. This was an older club of nine seniors, led by a determined captain, Ron Blodgett. Promising juniors hope to better next year's record and add more games to the winning column. The seniors would like to wish the coaches and next year's basketball club luck in the oncoming season of G. H. S.

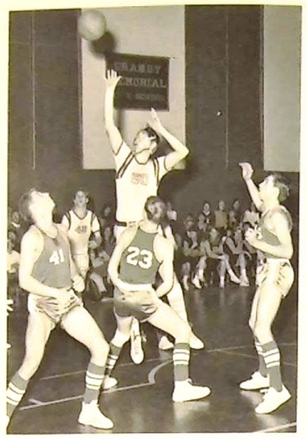


"Who is that Masked Man?"



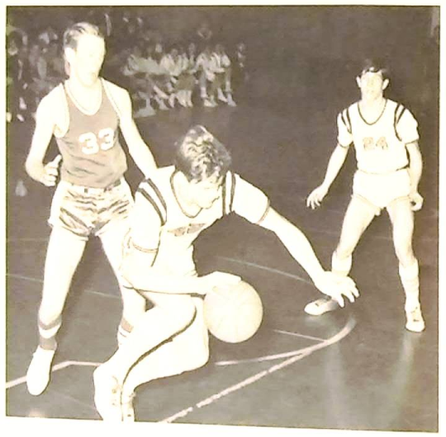
"The centers meet!"

"1, 2, 3--GO!"



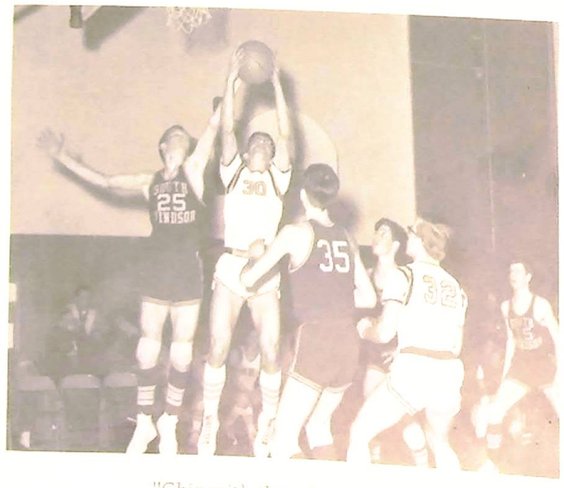
"Even Granby High has its "Wizard."

"The night life of the Farm Boy."

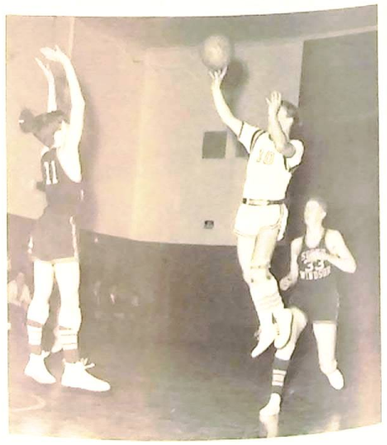


"We're gonna dribble it low--"

"Hang on, Charlie"



"Chip with the rebound."



"Bob with a sure two!"

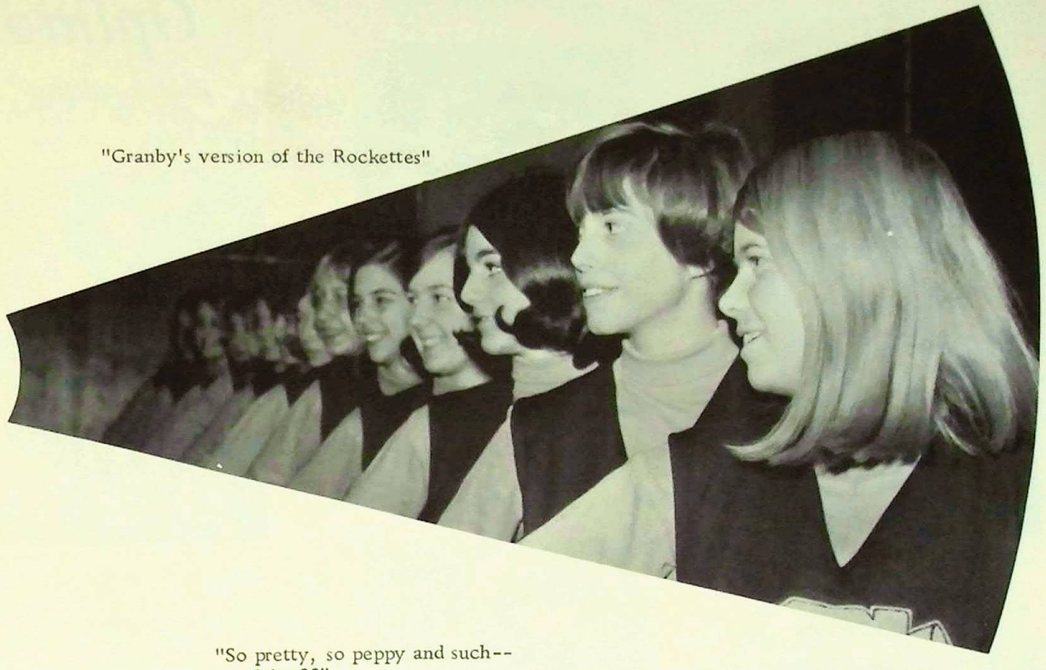
"How many times do we have to tell you girls to SMILE?!"

"The Rise of the Seven Super Seniors."

"Granby's version of the Rockettes"



"So pretty, so peppy and such--precision??"

"Five down and seven more to go"

Being a cheerleader is one of the finest memories a girl can have of her high school years. It is truly a rewarding and worthwhile experience to be supporting the finest teams--finest not for their records, but for their unending effort and sportsmanship. It is an experience that is also exciting and fun-filled --one of sponsoring pep rallies, planning team dinners, working out new cheers and practice, practice, practice. And just as every squad needs advisors, we are fortunate to have two, such young and peppy ones, who helped to make the squad what it is.
